Y'all made me & I'm matching me

chips, Ahoy, pirates of frostiness,
pseudo joy, thieves of see, marginal
frugality.

Makes you up my own messes, Break all
the rules after you learn them, how
would you then be in the source of
second guessing as if the source ain't
you noticing the message or messenger
Time to get aggressive, grr, if
you defensive it's cause the lie you're
protecting unless it's your well-being on
the line then Fuck how anyone upset
sets up their perception of us, I
ain't one you can trust if ~~your boy~~.
believes & NLP in the form of have to,
must, & just because are attempts
of justifying non Vegan Values,
Do No Harm ~~is right~~, simple enough,
include the ugly, deserving & fruit,
ain't no view to transcend through
but 9 nth.
